

## Welcome to Ribar!

Ribar is a leading Australian company delivering quality workmanship for over 28 years to the commercial catering industry. Our experience and service allow us to have your project completed on time and to budget.

We will take you from conceptual design right through to project completion. Our experience with designers, architects, franchisers and builders helps us deal with all situations.

Our projects extend straight through catering sectors for cafes, fast food, dining, fresh food outlets, clubs, bars, hotels and government. We have extensive knowledge in all areas from bars, kitchens, coolrooms, custom stainless steel fabrication and commercial cooking equipment.

Having the correct team to look after your project offers peace of mind with the understanding aspect

&lsquo;EXPERIENCE IS THE DIFFERENCE&rsquo;.
